Heads of state don't leave G-8 meetings early unless they have good reasons. President Bush has two: he has to get to Egypt, and he doesn't like the French. Let's explain to viewers that despite the tepid handshake, Bush and Blair are far from reconciled, as are the US and Germany. The early departure from Evian should take the sparkle out of the bottled water spa.

have good perp walk video of Eric Rudolph which we should use. We should assume that anyone who supported or helped Eric Rudolph is a racist. No one in favor of murder or bombing of public places. But feelings in North Carolina are just be more complicated than the NY Times can conceive. Two style notes: Eric Rudolph is charged with bombing an abortion clinic, not a "health clinic."

DAY'S HEARING IS NOT AN ARRAIGNMENT. IT IS AN INITIAL HEARING.

have FCC Chairman Michael Powell on Cavuto today (hosted by Brenda). Let's get a few hits on the commission's vote about media ownership rules.
