We have the media turning a blind eye to the execution of a 5-year-old boy. Politicians ignore dozens shot in a single weekend in Chicago & grandmas assaulted by rioters. The Bible & American flag are set ablaze on camera, & they spin it as fake news.

But there is hope.

For every problem America faces, Jesus has a solution.

For every action our senseless, faithless politicians take, Jesus has an action you can take to turn things around.

No doubt about it, we're in a war for America's soul. It's a real war, & the consequences are catastrophic. If we don't embrace Jesus Politics now, I give America 30 years.

But if we use our freedoms to advance the policies of Jesus, the history books will show a small but mighty band of believers fought for what's right & took Jesus Politics to the streets to win back the soul of America. Which side of history will you be on?
