Stop pretending that the case is about Hunter. He is just the collector for the Bidens'. Joe is the "Big Guy."

I love all of you. But I don't receive any respect and thats fine I guess -works for you apparently. I Hope you all can do what I did and pay for everything for this entire family Fro 30 years. It's really hard. But don't worry unlike Pop I won't make you give me half your salary.
