### "Buggery and health – What the gay-rights lobby doesn't tell you" | Jamaica Gleaner

Jamaica Gleaner: Although it is fashionable to frame the discussion about the reform of buggery laws in terms of human rights, a more serious look at the issue from a public policy perspective indicates that it is essentially a public-health matter.

## **U.S. Jamaicans decry homosexual boycott of Jamaican products**

CaribWorldNews: But Jamaicans CWNN spoke with say the action is outrageous. "Who are they to be imposing their beliefs on us and boycotting Jamaican products?" questioned D.C.-based national Ann Walters. "How is that going to change how people in Jamaica view homosexuality? [sic.] Isn't there homophobic people in the US so why not attack 'Made in the USA?'"
